

# SUPPORTING YOUR CHILD DURING A SCHOOL MOVE

Moving schools during a permanent change of station (PCS) can be tough – but Marines and their families don't have to go it alone.

## SCHOOL LIAISON PROGRAM

**Your connection between the installation, schools, and community.**

- Available at every installation
- Supports Pre-K through 12th grade
- Helps families navigate:
  - » School enrollment
  - » Comparable services
  - » Credit transfers
  - » Graduation requirements
  - » Extracurricular activities

## MIC3

**Protects students during school transitions.**

- Adopted by all 50 states + D.C. + Department of Defense Education Activity
- Ensures:
  - » Timely enrollment
  - » Appropriate class placement
  - » On-time graduation
  - » Flexibility with deadlines for extracurricular participation.

## YOUTH CONNECTIONS

**Helping military kids feel at home, faster.**

- Promotes inclusion and belonging
- Hosts youth-centered events
- Eases emotional stress during moves
- Connects students with peers and staff

When families tap into these resources, it reduces the stress of moving, supports academic continuity, and empowers students to thrive.

Connect Early. Transition Smoothly. Contact your local **School Liaison Program** as soon as PCS orders are received.
